This Corporate Membership Agreement (“Agreement”) is made effective as of June 01, 2023 (“Effective Date”), by and between Brambles Holdings (UK) Limited., whose principal office is located at 2nd Floor, 400 Dashwood Lang Road, Bourne Business Park, Addlestone, Surrey, England, KT15 2HJ, hereinafter “CLIENT”) and Plug & Play, LLC (also doing business as “Plug and Play Tech Center”) whose principal office is located at 440 North Wolfe Road, Sunnyvale, CA, 94085, United States (hereinafter “Plug and Play”). Plug and Play and CLIENT hereinafter jointly referred to as the “Parties” and individually to as the “Party.”

1. The Scope of the Agreement

1.1. CLIENT is seeking a deeper engagement with Plug and Play to drive business growth opportunities for CLIENT and its affiliates through partnership, pilots, acquisition, or investment in startups and establish CLIENT and its affiliates as an innovation leader in the Supply Chain space. To ensure CLIENT’s success as a strategic member of Plug and Play’s ecosystem, Plug and Play will provide the services described in this Agreement.

1.2. Anchor Membership—Plug and Play Supply Chain

1.2.1. The execution of the Agreement will grant CLIENT a status of “Anchor Member” of Supply Chain at Plug and Play Northwest Arkansas.

1.2.2. As an Anchor Member, CLIENT will pay the fees described in **Exhibit A** and benefit from the services listed in Section 2.

2. Anchor Benefits—Plug and Play Supply Chain

Plug and Play accelerates up to two batches of startups per year (each, a "Batch") and provides workshops, mentorship sessions, EXPOs, business development, and investment opportunities to CLIENT in the Supply Chain industry (the "Program"). As an Anchor Member, CLIENT will receive the following:

2.1. Committee Member: CLIENT will occupy one (1) position on the Advisory Committee in the Supply Chain Program (a "Committee Member"). The "Advisory Committee" consists of the Committee Members from all Founding Anchor Members and Anchor Members of the Supply Chain Program that will guide the trajectory of the Program.

2.2. Program Focus: CLIENT, as a Committee Member, will have the opportunity to set the technology focus and application call for the Program.

2.3. Elite List: Plug and Play will complete the initial review and vetting of the applications to select a list of qualified startups to be considered for admittance into the upcoming Batch of the Program (the “Elite List”). Committee Members will receive the Elite List, and from the Elite List Committee Members will vote to select startups to be reviewed at Selection Day.

- 2.4.** Selection Day: CLIENT, as a Committee Member, will review the startups selected to pitch at Selection Day and vote to select startups to admit to the Program along with other Committee Members ("Selection Day").
- 2.5.** Guaranteed Selection: CLIENT, as a Committee Member, may choose one (1) startup from Selection Day to admit into each batch of the Program.
- 2.6.** Sourcing and Startup Introductions
 - 2.6.1.** Private Dealflow Sessions: Plug and Play will facilitate private introductions between CLIENT and startups based on CLIENT's business challenges. These connections are made through "Dealflow Sessions"—up to six per Segment. Dealflow Sessions are structured as follows:
 - a)** CLIENT shall provide Plug and Play notice of its intention to participate in a Dealflow Session. Plug and Play will, within four weeks of receipt of such notice, deliver a pre-screened list of startups to CLIENT and allow CLIENT to select up to eight startups it wishes to meet. Of the eight startups chosen by CLIENT, Plug and Play will arrange for CLIENT to meet (virtually or in-person) up to four startups during a two-hour Dealflow Session.
 - b)** Each of the selected startups will present to CLIENT for 30 minutes followed by open discussions between startups and CLIENT.
 - c)** If CLIENT or any of its employees, contractors or representatives are unable to attend the Dealflow Session in person, Plug and Play will arrange a virtual or extended Dealflow Session to accommodate CLIENT's schedule.
 - 2.6.2.** Innovation Day. Up to twice per Segment, Plug and Play will host, at Plug and Play's expense, unless expressly provided otherwise herein, an Innovation Day for CLIENT, once in the UK at a CLIENT facility (or other facility mutually agreed to by the Parties at CLIENT's expense) and once in the United States at a Plug and Play facility mutually agreed to by the Parties (or other facility at CLIENT's expense). "Innovation Day" is a half day event with startup pitches from startups selected by CLIENT. Plug and Play shall source and prepare a shortlist of up to 12 startups that will be eligible for Innovation Day. CLIENT will select the startups for Innovation Day based on the list prepared by Plug and Play or may propose additional startups to participate in Innovation Day. Plug and Play will be responsible for communicating with and managing the list of startups and guests invited to the Innovation Day.
 - a)** Plug and Play shall manage Innovation Day, and such management shall include but not be limited to, preparing the schedule, organizing startup pitches, demo booths, keynote speakers and panelists, providing audio-

visual equipment (at CLIENT's expense), coordinating catering (at CLIENT's expense), and managing day-of logistics.

- b)** CLIENT shall provide a venue for the event at CLIENT's facilities for the London Innovation Day or other venue mutually agreed upon by the Parties and assist Plug and Play with compiling a guest list for Innovation Day.
- c)** If, at CLIENT's request, an Innovation Day is not hosted at a CLIENT facility in the UK or, as applicable, at a Plug and Play facility in the United States, CLIENT shall reimburse Plug and Play for any additional costs incurred during such Innovation Day, including, but not limited to, costs associated with catering, rentals, and venue fees. Plug and Play will not be responsible for any fees or expenses related to any startup's attendance at Innovation Day but will be responsible for ensuring that each startup assumes its own fees and expenses. For the avoidance of doubt, any cost or expense to be incurred by Plug and Play at CLIENT's expense must be reasonable and agreed in writing with CLIENT before it is incurred. Plug and Play will issue an invoice for any amounts due pursuant to this clause 2.6.2c) with respect to an Innovation Day within 10 days after the completion of Innovation Day. Payment is due no later than 90 days after receipt of the invoice from Plug and Play.

2.6.3. Ad-Hoc Introductions: Plug and Play will make ad-hoc introductions between CLIENT and startups as new opportunities arise during the Term (defined in Exhibit A: Fee Schedule).

2.6.4. Playbook: During the Term, CLIENT may access Plug and Play's proprietary virtual platform called "Playbook". Playbook allows corporate members to easily track engagement with startups and includes a database of startup profiles, exclusively for Plug and Play's corporate members' use. CLIENT's representatives that wish to use Playbook must first create a profile on the Playbook platform.

2.7. Events & Workshops

CLIENT's marketing and business development representatives are invited to participate and promote CLIENT's brand and products at all Supply Chain events and workshops. Plug and Play will provide:

2.7.1. EXPOs: "EXPO" takes place at the conclusion of each Batch, either in person or virtually. Each EXPO includes three-minute presentations from the startups in each Batch, panelist discussions and keynote speeches focused on the Batch. Attendees of each EXPO includes entrepreneurs, venture capitalists, Plug and Play corporate members, developers, investors, government entities, and universities. CLIENT may send representatives to attend EXPO and will receive distinction as a VIP judge and one three to

five-minute speaking slot. Plug and Play may grant longer speaking engagements depending on topic and speaker.

2.7.2. Mentorship Sessions: During the course of each Batch, Plug and Play hosts weekly, one to two hour mentorship sessions with startups, hosted by either a venture capitalist or corporate member. When applicable, CLIENT will have the opportunity to demonstrate and promote their technology focus areas and engage closely with startups.

2.7.3. Internal Meetings: CLIENT's representatives are welcome to attend Plug and Play's regular internal meetings during the Term, including monthly events covering the latest trends in the Supply Chain industry.

3. Authorization for use of Name, Trademark(s), Logo(s) and other Identifying Marks

3.1. As a condition of this Agreement, CLIENT hereby authorizes Plug and Play the right to use CLIENT's logo and trademarks ("Marks") in the following manner; provided that the visuals of the Marks are previously approved in writing by CLIENT:

CLIENT shall retain all and any intellectual property rights, title or interest in or to any of the Marks used by Plug and Play.

Electronic Record and Signature Disclosure
--

Agreement to do business

In this document, “we” or “us” refers to the respective Brambles Group entity (being Brambles Limited and each of its affiliates) that provides you with the written notices or disclosures referred to below.

ELECTRONIC RECORD AND SIGNATURE DISCLOSURE

From time to time, we may be required by law to provide to you certain written notices or disclosures. Described below are the terms and conditions for providing to you such notices and disclosures electronically through the DocuSign system. Please read the information below carefully and thoroughly, and if you can access this information electronically to your satisfaction and agree to this Electronic Record and Signature Disclosure (“ERSD”), please confirm your agreement by selecting the check-box next to ‘I agree to use electronic records and signatures’ before clicking ‘CONTINUE’ within the DocuSign system.

Getting paper copies

At any time, you may request from us a paper copy of any record provided or made available electronically to you by us. You will have the ability to download and print documents we send to you through the DocuSign system during and immediately after the signing session and, if you elect to create a DocuSign account, you may access the documents for a limited period of time (usually 30 days) after such documents are first sent to you. After such time, if you wish for us to send you paper copies of any such documents from our office to you, you will be charged a \$0.00 per-page fee. You may request delivery of such paper copies from us by following the procedure described below.

Withdrawing your consent

If you decide not to receive notices and disclosures from us electronically, you may at any time change your mind and tell us that thereafter you want to receive required notices and disclosures only in paper format. How you must inform us of your decision to receive future notices and disclosure in paper format and withdraw your consent to receive notices and disclosures electronically is described below.

Consequences of changing your mind

If you elect to receive required notices and disclosures only in paper format, it will slow the speed at which we can complete certain steps in transactions with you and delivering services to you because we will need first to send the required notices or disclosures to you in paper format, and then wait until we receive back from you your acknowledgment of your receipt of such paper notices or disclosures. Further, you will no longer be able to use the DocuSign system to receive required notices and consents electronically from us or to sign electronically documents from us.

All notices and disclosures will be sent to you electronically

Unless you tell us otherwise in accordance with the procedures described herein, we will provide electronically to you through the DocuSign system all required notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you during the course of our relationship with you. To reduce the chance of you inadvertently not receiving any notice or disclosure, we prefer to provide all of the required notices and disclosures to you by the same method and to the same address that you have given us. Thus, you can receive all the disclosures and notices electronically or in paper format through the paper mail delivery system. If you do not agree with this process, please let us know as described below. Please also see the paragraph immediately above that describes the consequences of your electing not to receive delivery of the notices and disclosures electronically from us.

How to contact us:

You may contact us to let us know of your changes as to how we may contact you electronically, to request paper copies of certain information from us, and to withdraw your prior consent to receive notices and disclosures electronically as follows:

To contact us by email send messages to: docusign-admin@brambles.com

To advise us of your new email address

To let us know of a change in your email address where we should send notices and disclosures electronically to you, you must send an email message to us at docusign-admin@brambles.com and in the body of such request you

must state: your previous email address and your new email address. We do not require any other information from you to change your email address.

If you created a DocuSign account, you may update it with your new email address through your account preferences.

To request paper copies from us

To request delivery from us of paper copies of the notices and disclosures previously provided by us to you electronically, you must send us an email to docusign-admin@brambles.com and in the body of such request you must state your email address, full name, mailing address, and telephone number. We will bill you for any fees at that time, if any.

To withdraw your consent with us

To inform us that you no longer wish to receive future notices and disclosures in electronic format you may:

(i) decline to sign a document from within your signing session, and on the subsequent page, select the check-box indicating you wish to withdraw your consent; or (ii) you may send us an email to docusign-admin@brambles.com and in the body of such request you must state your email, full name, mailing address, and telephone number. We do not need any other information from you to withdraw consent. The consequences of your withdrawing consent for online documents will be that transactions may take a longer time to process.

Required hardware and software

The minimum system requirements for using the DocuSign system may change over time. The current system requirements are found here: <https://support.docusign.com/guides/signer-guide-signing-system-requirements>.

Acknowledging your access and consent to receive and sign documents electronically

To confirm to us that you can access this information electronically, which will be similar to other electronic notices and disclosures that we will provide to you, please confirm that you have read this ERSD, and (i) that you are able to print on paper or electronically save this ERSD for your future reference and access; or (ii) that you are able to email this ERSD to an email address where you will be able to print on paper or save it for your future reference and access. Further, if you consent to receiving notices and disclosures exclusively in electronic format as described herein, then select the check-box next to 'I agree to use electronic records and signatures' before clicking 'CONTINUE' within the DocuSign system.

By selecting the check-box next to 'I agree to use electronic records and signatures', you confirm that:

- You can access and read this Electronic Record and Signature Disclosure;
- You can print on paper this Electronic Record and Signature Disclosure, or save or send this Electronic Record and Disclosure to a location where you can print it, for future reference and access; and
- Until or unless you notify us as described above, you consent to receive exclusively through electronic means all notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you by us during the course of your relationship with us.
