1. Amendment(s)

A1 (valid 2/1/25-1/31/26): The Parties agree to amend the Scope of Work.

2. Scope of Work

Effective February 1, 2025, Contractor agrees to perform Services in Attachment A (the "Scope of Work") of this First Amendment (A1), as assigned and directed by the Arizona Commerce Authority (the "ACA"). The original scope of work as outlined in Task Order TO-2023-0401-01 shall govern the activities from February 1, 2023 to January 31, 2025. Any and all subcontractors utilized by the Contractor in support of the services will be identified within this Scope of Work. Contractor is responsible for any subcontractor fees.

3. Compensation

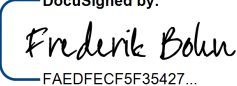

The ACA will compensate Contractor for Services performed, and to reimburse Contractor for approved expenses, in accordance with the attached "Fee Schedule" beginning on the Start Date of this amendment.

Acceptance

I accept the engagement as outlined herein. The Parties hereto are each acting with the proper authority of their respective companies.

SCOPE OF WORK and Subcontractors (if any)
1.1 Service Objectives

ACA is seeking a deeper engagement with Contractor to drive business growth opportunities for ACA through partnership, pilots, acquisition, or investment in startups and establish ACA as an innovation leader in the Advanced Manufacturing space. To ensure ACA's success as a strategic member of Contractor's ecosystem, Contractor will provide the services described in this First Amendment (collectively, the "Program").

1.2 Additional Members

ACA and Contractor, either together or separate, may engage with unaffiliated entities to participate in the Program (each, an "Additional Member") in the manner prescribed below.

- A. ACA may engage with up to five Additional Members for the duration of the Program, listed on Addendum A ("ACA Members") and ACA Members will contract directly with ACA.
- B. Contractor may engage Additional Members not listed on Addendum A, by signing an agreement with Contractor to become a Corporate Member ("Corporate Member"). Contractor will allocate additional services to the Corporate Members pursuant to the agreement between Contractor and the Corporate Member and Corporate Member will pay Contractor for the services. In no event will payments made by Corporate Members have any effect on ACA's payment obligations to Contractor under this Scope of Work.

1.3 Services

- A. **Dealflow Sessions.** Contractor will provide the ACA Member with private introductions between the ACA Member and startups based on the ACA Member's business challenges ("Dealflow Sessions"). Contractor will provide the ACA Member with up to four Dealflow Sessions per year. Dealflow Sessions are structured as follows:
 - 1. ACA Member shall provide Contractor notice of its intention to participate in a Dealflow Session. Contractor will, within four weeks of receipt of such notice, deliver a pre-screened list of startups to the ACA Member and allow the ACA Member to select up to eight startups it wishes to meet. Of the up to eight startups chosen by the ACA Member, Contractor will arrange for the ACA Member to meet (virtually or in-person) up to four startups during a two-hour Dealflow Session.
 - 2. Each of the selected startups will present to the ACA Member for 30 minutes followed by open discussions between startups and the ACA Member.
 - 3. If the ACA Member or any of its employees, contractors or representatives are unable to attend the Dealflow Session in person, Contractor will arrange a virtual or extended Dealflow Session to accommodate the ACA Member's schedule.
- B. **Valley to Ventures Webinars.** Up to four times per Segment, Contractor will host virtual startup pitch sessions for Silicon Valley-based venture capital firms (each, a "Webinar") on a date mutually agreed by the parties. Each Webinar will feature up to 10 startups either based in Arizona or with a presence in Arizona, sourced and selected by Contractor. Contractor will coordinate each Webinar and provide ACA with a summary of each Webinar 30 days after the date of the Webinar.
- C. **Corporate Innovation Days.** Contractor may host one Innovation Day for each Additional Member per Segment, not to exceed five Innovation Days in any one Segment. Each "Innovation Day" is an in-person event with startup pitches from startups that are candidates for relocation to Arizona or pilots with the featured Additional Member. Contractor will source and select the startups in Contractor's discretion.
 - 1. Contractor shall manage Innovation Day, and such management shall include but not be limited to, communicating with and managing the list of startups and guests invited to the Innovation Day, preparing the schedule, organizing startup pitches, demo booths, keynote speakers and panelists, providing audio-visual equipment, catering, and managing day-of logistics.
 - 2. The Additional Member and Contractor will mutually agree upon a venue for the Innovation Day and mutually agree on the payment of any fees for the venue.
- D. **Expo.** Once per Segment, Contractor will host Expo locally in Arizona. Each Expo may include presentations from startups that participated in Dealflow Sessions, Webinars, or Innovation Days, panelist discussions and keynote speeches. Attendees of each Expo include ACA, Additional Members, entrepreneurs, venture capitalists, Contractor's corporate members, developers, investors, government entities, and universities.

- E. **Summit.** Up to twice per Segment, Contractor will host Summit at its headquarters in Silicon Valley. Each “Summit” is a multi-day event and includes presentations from startups that participated in accelerator programs in Silicon Valley across a range of industries, panel discussions, keynote speeches, fireside chats, breakout sessions, and networking opportunities. Contractor will provide ACA with a speaking slot during the Advanced Manufacturing portion of the programming.
1. Breakout Session: ACA and Contractor will select up to 10 Arizona startups to attend Summit and up to two startups to pitch at Summit. Contractor will organize an Arizona-specific breakout session and invite members of Contractor’s ecosystem that have a desire to expand in, or are relevant to, Arizona. ACA will dictate the content and topic of the breakout session.
 2. Corporate Invites: Contractor and ACA will identify up to five entities within Arizona that are not Additional Members (each, a “Target Entity”) and invite such Target Entity to Summit.
 3. Costs and Expense. In no event will Contractor be liable for any travel expenses of ACA, Additional Members, invited startups or Target Entities, including airfare, accommodation, ground transportation, meals or incidental expenses.
- F. **Sourcing and Startup Introductions**
1. Ad-Hoc Introductions: Contractor will make ad-hoc introductions between ACA and startups as new opportunities arise during the Term (defined in Exhibit A: Fee Schedule).
 2. Playbook: During the Term, ACA may access Contractor’s proprietary virtual platform called “Playbook”. Playbook allows corporate members to easily track engagement with startups and includes a database of startup profiles, exclusively for Contractor’s corporate members’ use. ACA’s representatives that wish to use Playbook must first create a profile on the Playbook platform.
- G. **Events & Workshops**
1. Community Events: Up to 10 times per Segment, Contractor will host in-person community events in Arizona that are open to the public. Contractor will determine the format for each community event, which may include workshops, dinners, or networking opportunities. ACA’s marketing and business development representatives are invited to participate and promote ACA’s brand and products at these events.
 2. Global Events: Contractor will invite ACA to one event per Segment in the Advanced Manufacturing industry that occurs outside of Arizona. These events may be hosted by Contractor, industry events, or relevant conferences where Contractor has a presence. Contractor will assist ACA with logistics for the event; however, ACA shall pay for all travel expenses including airfare, accommodation, ground transportation, meals and any incidental expenses.
- H. **Community, Branding, and Marketing**
1. Public Relations: ACA and Contractor will coordinate on any press release regarding the collaboration. This collaboration will be promoted at Contractor’s events and in event materials, including, but not limited to, event room screens, event programs, and pop-up banners
 2. Branding in Silicon Valley: An ACA placard will be positioned on Contractor’s strategic member wall. Contractor will note ACA as a member on its website and create an Arizona specific sub-page on its website.
 3. Branding in Arizona: Co-branding of Contractor and accelerateAZ will be included on events and other major communications in the Arizona market.
- I. **Reporting.** Contractor will provide a report to the ACA on yearly basis within 30 days of the end of each Segment on the following related to this program outcomes
- Funding obtained by startups, subject to confidentiality obligations by type (including grants and debt financing)
 - Total funding obtained by startups, subject to confidentiality obligations by type (including grants and debt financing)
 - Number of joint ventures between startups and Additional Members
 - Number of pilots established between startups and Additional Members
 - Number of introductions facilitated by Contractor to startups
 - To the extent information is received from the startups, Diversity, Equity & Inclusion metrics in Contractor’s survey:
 - Gender - Male, Female, Prefer not to say

- Racial Identity – African, Asian, Black/African American, Hispanic/Latinx, Middle Eastern, Native Hawaiian/Pacific Islander, Indigenous/Native American, White, Prefer not to say
- LGBTQ+
- Immigrant
- Person with Disabilities
- Veteran
- Number of workshops & webinars
- Number of office hours
- Number of pitch events
- Total innovation events and # of RSVPs
- Number of mentors engaged
- Number of investors engaged
- Number of events
- Corporate participation in each program
- Advisory Committee composition
- Number of startup/corporate active conversations
- Number of startup/corporate NDAs
- Number of corporate Dealflow Sessions
- Number of Pilots & PoCs between corporates and startups
- List of Investors (Private Equity/Venture Capitals), subject to confidentiality obligations

1.4 Other Services

1. Contractor will provide introductions to other Corporate Members and other connections within the Contractor's network in support of ACA's business attraction and expansion goals.
2. As identified by the ACA and mutually agreed upon by the ACA and Contractors, Contractor may be tasked with other services within Contractor's expertise.

FEE SCHEDULE

1. Fee Schedule:

Invoice Date	Cost
SEGMENT 3	
February 1, 2025	\$375,000
May 1, 2025	\$375,000
August 1, 2025	\$375,000
Upon receipt of the final Segment report in accordance with Section I	\$375,000

Each 12-month period of this Scope of Work is a "Segment."

Contractor will invoice ACA on each Invoice Date listed above, in the amount designated for that Invoice. Payments made under this Agreement are not refundable. ACA shall pay Contractor no later than 30 days after receipt of an invoice from Contractor.

All amounts payable under the Agreement are exclusive of any taxes or other government charges incurred by Contractor as a result of provision of the services to ACA pursuant to the Agreement. ACA will pay any and all (a) sales, use, excise or other taxes (other than taxes measured on the income of Contractor) and (b) regulatory fees or surcharges of all governmental authorities, applicable to the services provided to ACA under this Agreement.

2. Approved Expenses (if any):

No additional expenses are approved under this Task Order. Any additional expense would be allowed only with written approval by authorized ACA personnel.

3. Request for Payment:

Submit invoices to the ACA via email to APTeam@azcommerce.com with a detailed description of work and date of service(s). All requests for payment shall reference to the Task Order Number listed on the first page of this document.
