

**STATEMENT OF WORK TO THE MASTER SERVICES AGREEMENT
BETWEEN WALMART INC.
AND PLUG & PLAY, LLC**

Walmart Inc. ("Walmart") and Plug & Play, LLC ("Consultant") enter into this Statement of Work ("SOW") on May 1, 2025 (the "SOW Effective Date"). This Statement of Work shall be governed by the Master Services Agreement dated as of September 30, 2019 (the "Agreement") between Walmart and Consultant. Unless otherwise defined in this Statement of Work, terms which are set forth in initial uppercase letters have the meaning established for such terms as set forth in the Agreement. Consultant shall complete the following Services and project in accordance with the Agreement and in accordance with the following terms:

I. Project Overview

- A. Walmart is seeking a deeper engagement with Consultant to drive business growth opportunities for Walmart through partnership, pilots, acquisition, or investment in startups and establish Walmart as an innovation leader in the Brand & Retail space. To ensure Walmart's success as a strategic member of Consultant's ecosystem, Consultant will provide the services listed in Section II of this SOW.
- B. Anchor Membership—Plug and Play Northwest Arkansas. The execution of the Agreement will grant Walmart a status of "Anchor Member" of Brand & Retail at Plug and Play Northwest Arkansas. As an Anchor Member, Walmart will pay the fees described in Section IV and benefit from the services listed in Section II.

II. Scope of Work

Consultant accelerates up to two batches of startups per year (each, a "Batch") and provides workshops, mentorship sessions, Expo, business development, and investment opportunities to Walmart in the Brand & Retail industry (the "Program"). As an Anchor Member, Walmart will receive the following:

- A. Program Focus: Walmart will have the opportunity to set the technology focus and application call for the Program.
- B. Elite List: Consultant will complete the initial review and vetting of the applications to select a list of qualified startups (the "Elite List") to be considered for admittance into the upcoming Batch of the Program. The "Advisory Committee" comprised of Anchor and Founding Anchor members (each, a "Committee Member") will determine which startups will be reviewed at Selection Day.
- C. Selection Day: At Selection Day, Consultant and Committee Members will review the startups selected to pitch at Selection Day and vote to select startups to admit to the Program ("Selection Day"). Walmart may send up to four representatives to attend Selection Day.
- D. Guaranteed Selection: Walmart may choose two startups from Selection Day to admit into each Batch.

E. Expo: "Expo" takes place at the conclusion of each Batch, either in person or virtually and includes presentations from the startups from the Batch, panelist discussions and keynote speeches focused on the Batch. Attendees of each Expo may include entrepreneurs, venture capitalists, Consultant corporate members, developers, investors, government entities, and universities. Walmart may send representatives to attend Expo.

F. Sourcing and Startup Introductions

1. Private Dealflow Sessions: Consultant will facilitate private introductions between WALMART and startups based on Walmart's business challenges. These connections are made through "Dealflow Sessions"—up to six, at Walmart's sole discretion, during the SOW Term. Dealflow Sessions are structured as follows:
 - a. Walmart shall provide Consultant notice of its intention to participate in a Dealflow Session. Consultant will, within four weeks of receipt of such notice, deliver a pre-screened list of startups to Walmart. The number of startups in the pre-screened list will vary based on Walmart's criteria but Plug and Play will use best efforts to provide at least eight (8) startups that meet the selected criteria in the pre-screened list. Walmart may, at its own discretion, select startups from the pre-screened list it wishes to meet. Subject to each startup's approval, Consultant will use best efforts to arrange for Walmart to meet (virtually or in-person) with a majority of the selected startups during the Dealflow Session.
 - b. At the Dealflow Session, each of the selected startups will present to Walmart, followed by open discussions between the selected startups and Walmart.
 - c. If Walmart or any of its employees, contractors or representatives are unable to attend the Dealflow Session in person, Consultant will arrange a virtual or extended Dealflow Session to accommodate Walmart's schedule.
2. Immersion Meeting: Up to four times, at Walmart's sole discretion, during the SOW Term, Consultant will provide Walmart with a presentation for its employees, management, and leadership covering a mutually agreed upon topic (an "Immersion Meeting"). Such presentation may include, but not be limited to, a high-level summary of the topic, market statistics, and startup pitches relevant to the selected topic. Walmart shall provide Consultant with written notice of its desire to participate in an Immersion Meeting eight weeks prior to the desired Immersion Meeting date.
3. Ad-Hoc Introductions: Consultant will make ad-hoc introductions between Walmart and startups as new opportunities arise during the SOW Term.

- G. Trend Reports: A “Trend Report” is a report prepared by Consultant that may include, but not be limited to, a high-level summary, market statistics, areas of growth, and startups within the topic.
1. Consultant will prepare up to one custom Trend Report specifically for Walmart focused on a specific topic selected by Walmart. The custom Trend Report will be structured as follows:
 - a. Walmart will provide Consultant with notice six weeks prior to its desired Trend Report. Walmart shall choose a topic for the Trend Report and Consultant will host a briefing session related to the selected topic to determine the scope of the Trend Report.
 - b. Consultant will research the selected topic and prepare a presentation that may include, but not be limited to, a high-level summary of the topic, market statistics, potential areas of growth, and the likelihood of cooperation with startups within the topic.
 2. Consultant will provide Walmart with access to up to three standard Trend Reports already prepared by Consultant.
- H. Event Support: During the SOW Term, Walmart may host various in-person or virtual E-commerce specific events and desire for Consultant to assist with an E-commerce specific event (“Event Support”). Walmart may exercise up to one Event Support during the SOW Term and if exercised, Consultant will source startups relevant to the selected theme, and may assist with other aspects of the event which may include, but not be limited to, preparing mutually agreed upon content for the event, organizing startup pitches, demo booths, keynote speakers and panelists, and managing day-of logistics.
- I. Events & Workshops

Walmart, at its sole discretion, may participate and promote Walmart’s brand and products at any Brand & Retail events and workshops during the SOW Term. Consultant will provide:

1. Community Events: During the SOW Term, Consultant will host events to build community within the innovation ecosystem focused on exposure between members of the Program, members of other programs, and startups. Walmart may attend any community event during the SOW Term.
2. Internal Events: Consultant will invite Walmart to regular internal events during the SOW Term, including, but not limited to, workshops, conferences, and roundtable

discussions in the Brand & Retail industry. Consultant may invite Walmart to internal events relating to other industries in Consultant's sole discretion.

3. Friday Pitch Sessions: The Friday Pitch Sessions ("FPS") provide a platform for startups to interact with corporate executives, serial entrepreneurs, and investors at the Silicon Valley location every Friday focused on a specific topic. Walmart may attend any FPS during the SOW Term.

J. Community, Branding, and Marketing

Public Relations: Walmart or Consultant may not publicly announce, in a press release or otherwise, without the review and written approval of both parties, the addition of Walmart to Consultant's ecosystem or the services described herein.

K. Authorization for use of Name, Trademark(s), Logo(s) and other Marks

1. Consultant may use Walmart's logo and trademarks shown on Attachment A (the "Marks") upon prior written permission from a Walmart representative with a title of "Vice President (VP)" or higher, which shall not be unreasonably withheld. Said written permission shall only be effective if Consultant has previously provided a final copy of all proposed assets depicting the Mark and a timeline for use of said assets. The request for permission and the grant of permission may only be delivered and received via email. Such permission is revocable by Walmart at any time. Walmart shall retain all and any intellectual property rights, title or interest in or to any of its Marks used by Consultant.
2. Walmart may use and publish Consultant's name, logo and trademarks ("Consultant Marks") in its marketing and promotional material with Consultant's prior written consent. For the avoidance of doubt, Consultant shall retain all and any intellectual property rights, title or interest in or to any of the Consultant Marks used by Walmart.

III. Responsibilities

The Parties' responsibilities under this Statement of Work shall be as follows:

Consultant

- To provide the services as outlined in Section II above.

Walmart

- To pay the Fee as outlined in Section V below.

IV. Term

The term of this SOW shall commence on the SOW Effective Date and shall continue until April 30, 2026 (the "SOW Term").

V. Fees

Consultant will invoice Walmart \$262,500 (the "Fee") upon execution of this SOW.

IN WITNESS WHEREOF, the Parties have executed this Statement of Work on the date specified above.
